Dear Member of the Public

Freedom of Information Request – FOI/OPCCN/044

I am writing in connection with your email dated 7th January 2014 in which you requested the following information:

“Would you please provide me with full details of all advice that has been given at any time to Mr Stephen Bett in relation to what he is entitled to recover by way of travel expenses, together with the justification for that advice and the identity of the person or persons giving that advice.”

Having reviewed your request, I can advise that all advice was given verbally by the former Chief Executive to the PCC.

Yours sincerely

CBuckley
